3. LIABILITY LIMITATIONS

THE CONTROLLER accepts no liability for damage or losses that the user may suffer due to information published on its website when this information has been manipulated or posted by a third party.

Cookies policy

This website uses technical cookies (small information files that the server sends to the computer of the person accessing the page) to carry out certain functions that are considered essential for the proper functioning and visualisation of the site. The cookies used have, in any case, a temporary nature, with the sole purpose of making browsing more efficient, and disappear when the user's session ends. In any case, these cookies provide personal data by themselves and will not be used for the collection of them.

Through the use of cookies, it is also possible that the server where the website is located recognises the browser used by the user in order to make browsing easier, allowing, for example, the access of users who have previously registered to the areas, services, promotions or contests reserved exclusively for them without having to register for each visit. They can also be used to measure the audience, traffic parameters, control the progress and number of entries, etc., being in these cases technically dispensable cookies but beneficial for the user. This website will not install cookies dispensable without the prior consent of the user.

The user has the possibility to configure his browser to be alerted of the reception of cookies and to prevent its installation on his computer. Please, consult the instructions of your browser to expand this information.

Linking policy

This website may display links to third-party websites. Since the CONTROLLER is unable to control the contents introduced by third parties on their websites, it accepts no liability for the contents or any other aspect related to these websites. In any case, the CONTROLLER states that it will immediately withdraw links to any website content that may contravene national or international legislation, morals or public order, informing the relevant authorities of the content in question.

The CONTROLLER is not responsible for the information and stored content, by way of example, but not limited to, forums, chat, blog generators, comments, social networks or any other means that allow third parties to publish content independently on the web page of the CONTROLLER. However, and in compliance with the provisions of Art. 11 and 16 of the LSSI-CE, the CONTROLLER will be available to all users, authorities and security forces, actively collaborating in the withdrawal or in its blocking of contents that could affect or contravene national or international legislation, rights of third parties or morality and public order. In the event that the user considers that there is any content on the website that could be susceptible to this classification, please notify the website administrator immediately. This website has been reviewed and tested to work properly. In principle, correct operation can be guaranteed 365 days a year, 24 hours a day. However, the CONTROLLER does not rule out the possibility of certain programming errors, or any other

causes that occur as force majeure, natural disasters, strikes, or similar circumstances that make it impossible to access the website.

IP Addresses

Web site servers can automatically detect the IP address and domain name used by the user. An Internet protocol (IP) address is assigned to a computer when it connects to the Internet. All this information is recorded in a duly registered server activity file that whose data can later be processed statistical analysis purposes to calculate the number of page views and visits to web servers, the order of visits, access point, etc.

4. APPLICABLE LAW AND JURISDICTION

All disputes arising from or in connection with this website are subject to Spanish law. The parties expressly agree to be bound by the exclusive jurisdiction of the court system in Salou regarding any controversy that might derive from accessing or use of this website.
