

THE HOTEL MARINADA WILL TAKE ALL THE COMPULSORY HYGIENE AND DISINFECTION MEASURES GIVEN BY THE SPANISH GOVERNMENT SANITARY AUTHORITIES PUBLISHED AND COLLECTED IN SND/458/2020 ON MAY 30, BOE 153.

OUR STAFF HAS BEEN TRAINED TO COMPLY AND IMPLEMENT ALL NECESSARY MEASURES FOR THE PREVENTION OF COVID-19.

- Room cleaning protocols to avoid cross contamination.
- Use of required PPE in all the facilities.
- Cleaning and disinfection in all common areas will be done in a more usual basis.
- Disinfectant gels will be available to customers at the entrance of common areas.
- Eliminate as far as possible all those objects susceptible to virus transmission (restaurant and bar menus, information on paper, etc).

MEASURES TO BE FOLLOWED BY THE CUSTOMER TO AVOID TRANSMISSION

These measures are mandatory and are included in ministerial orders SND/458/2020, of May 30, 2020, and published in BOE 153.

Use hand sanitizer gel dispensers at the entrance to the common areas, as well as the wastebaskets to eliminate tissues and other kinds of rubbish.

Use masks in the areas indicated by means of a sign or signage. Also, when the distance of 2 meters between people cannot be kept.

The number of people that each area (bar, garden, swimming pool, reception, toilet, dining room, etc.) can hold must be respected, as well as the schedules, which can be altered or restricted depending on the occupation. If any of the

areas is at the limit of its capacity, no more people will be allowed to go into that area.

The lifts will be used individually or with people who share the same room.

In order to guarantee safety distance (2 meters) it is not allowed to move tables, chairs, stools or sun loungers throughout the hotel facilities.

The Miniclub as well as some of the entertainment activities such as dance sessions with an orchestra may be cancelled for security reasons.

RESTAURANT

The room staff will assign the tables to the clients. These will be disinfected along with the chairs after each use.

Each client will be assigned with a time to go to the restaurant. It must be respected so as not to exceed the capacity limit.

The restaurant service will be assisted buffet, that is, the client will not be able to manipulate the food.

IF YOU HAVE SYMPTOMS.

You must notify reception about this fact, and we will immediately contact the medical services.

From this moment, you must follow the instructions of the medical service and, if necessary, you will have to be self-isolated in your room for a period of time set by the doctors.

We will cope with the regular cleaning and disinfection of your room and provide you with the necessary hygienic material, as well as bringing your meals to your room.

THESE ARE THE RULES THAT ARE APPLICABLE AT THIS TIME. YOU WILL BE INFORMED ABOUT ANY CHANGE OR MODIFICATION.

THANK YOU VERY MUCH
